

How to get to Frogs Leap from the Airport

Take Settlers Way (N2) towards Cape Town. The road is pretty straight, eventually you will encounter right and left bends and then the junction with M5. The mountain is quite close. Continue on N2 and you will begin to climb with Groote Schuur Hospital visible ahead to your right.

After exit for Main Road be in left lane and follow signs for Muizenberg (exit 6 left). You are now on Rhodes Drive/Union Avenue and will pass the University on right. At 5 sets of traffic lights continue ahead along Edinburgh Drive (signs Muizenberg) eventually reaching the top of Wynberg hill. At this point exit left signs Wynberg/Plumstead. This is Trovato Link, after 1 set of traffic lights it becomes Waterloo Road.

Proceed through second set of traffic lights, military camp and then Lutheran church on right, then Chelsea Travel on left. At Chelsea Travel turn left to double back in opposite direction, this is Wolfe Street and Frogs Leap is number 1B, almost opposite the junction with Victoria Street, opposite the thatched cottage with blue shutters.
